# CPDC Technology Week

March 13- March 18  
2006

*Developing Vibrant Communities  
Through Innovation and Partnerships*

**ACT!**  
Leadership and  
Technology

[www.cpdc.org](http://www.cpdc.org)

*Sponsored by Citibank*

**Are you a leader in your community? Want to get more involved?**

**Join us this week for the tools and resources to do so!**

CPDC's Technology Week's theme is ACT! Leadership and Technology.

We want to spend this week acknowledging and celebrating leaders who have impacted our communities.

We also want to invite you to explore your leadership style and give you the tools and resources to make your own impact.

In addition to classes and presentations each night of the week, Friday night we will also host our 4th annual eTAB Poetry Slam where the competition is fierce for the **highly coveted prizes for 1st, 2nd, and 3rd place.**

To wrap up the week, an **All Day Youth Jam** will be held on Saturday.

Come and join the fun!

**Awards will be presented for the following:**

Poetry Contest  
Leadership Profile Contest  
Art Contest

Albert J. Browne Youth Leadership Award

**DON'T WAIT  
TO SIGN UP!**

**ALL CLASSES  
ARE FREE!!!**

Sponsored by **citibank**<sup>®</sup>

*Drawing from resources across Citigroup's businesses, Citibank Community Development (CCD) provides financing for affordable housing and community revitalization projects in locations around the country. CCD's innovative, comprehensive, and cost-effective financing packages meet both the short- and long-term needs of for-profit and non-profit organizations that build and operate affordable housing, commercial developments, and community facilities that benefit low- and moderate-income neighborhoods and populations. CCD's National Lending group addresses the needs of national intermediaries and non-profit organizations through equity bridge loans and warehouse lines, and other structured finance products.*
